WATER PERMITS

Although the Town of Milliken has strict watering regulations, we do offer FREE Watering Permits for those planting new sod or seed.

This permit will allow residents 3 weeks of unrestricted watering, allowing time for grass to be established.

Permits are to be posted in a front window, visible to our Code Officer, from the street.

Be conservative, water is expensive and in shorter supply this year.

SOLICITORS

Door to Door Solicitation ordinance: (6-2-200) requires all solicitors to obtain a license and an identification badge issued by the Town of Milliken before going door to door.

If you are approached by a solicitor, the solicitor is required to have their identification badge visible.

The Police Department takes violations seriously. The safety of our residents is important to us. Therefore, we would ask, if you are approached by a solicitor you believe is unlicensed, or fails to show their license badge identification, please contact the Police Department immediately at (970) 587-2772.

A NOTE FROM CODE ENFORCEMENT

There have been many households around town that are putting their unwanted items out in front of their house with a "Free" sign on them.

Please keep in mind, this is prohibited by Town ordinance. These items must be kept from public view (unless you are hosting a garage sale.)

We would suggest proper disposal of these items, donating them, or even posting them on social media.

We are committed to promoting public welfare by reducing visual clutter. Let's keep our community a place we can be proud of.

GOOD NEWS

The Town Hall has received numerous calls regarding Mosquito Spraying. Although the Weld County Health Department has set up traps in our area, spraying is only implemented when West Nile has been detected.

At this time West Nile has NOT been detected in the Milliken area; therefore, Weld County will not be spraying.

Even though West Nile has not been detected here, please remember to use proper repellent to avoid bites.
