The Santa Cops Program will be collecting toys for children throughout Weld County to include children in Milliken. The Santa Cops program provides gifts to many children that are less fortunate and not able to experience the joys of Christmas. The meaning of the *Gift of Giving* for these children and families promotes a positive image and strengthens relationships with their local law enforcement and a community that cares. Each Christmas Season your local law enforcement officers will personally deliver the gifts to those children that are referred.

There are many children however, that may not be referred (we do not except self referrals) through the program and we want to make sure those children aren't missed. Therefore we are seeking help from the community for donations and gifts for children. Gifts should be new and unopened, we also have a special need for gifts that are appropriate for 14-17 year old boys and girls. Cash or gifts card will be gladly accepted. Donations can be dropped off at the Milliken Police Station.

Please contact Officer Kate Lines at (970)587-2772 if you have any questions and again Thank You for your donations and promoting the mission of a Community that Cares.
