February 2017

A WORD FROM POLICE CHIEF GARCIA

With a couple more months of cold weather ahead, we understand that getting into a warm car is a lot cozier than a cold one, so we tend to leave our vehicles running and unattended and many of you have questions if it is or is not allowable. The following information is the updated law regarding Unattended Motor Vehicles.

42-4-1206. Unattended motor vehicle - definitions

- (1) A person driving or in charge of an unlocked motor vehicle shall not permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the ignition, and effectively setting the brake thereon. When the vehicle is standing upon any grade, the person shall turn the front wheels to the curb or side of the highway in such a manner as to prevent the vehicle from rolling onto the traveled way.
- (2) Any person who violates any provision of this section commits a class B traffic infraction.
- (3) The use or operation of a remote starter system and adequate security measures is sufficient to comply with subsection (1) of this section.
- (4) As used in this section:
 - (a) "Adequate security measures" includes, but is not limited to:
 - (I) Using a vehicle that requires a key to put the vehicle into gear and move the vehicle;
 - (II) Keeping a keyless start fob out of proximity of the vehicle; or
 - (III) Employing steering wheel security devices.
 - (b) "Remote starter system" means a device installed in a motor vehicle that allows the engine of the vehicle to be started by remote or radio control.
- (5) Nothing in this section preempts or otherwise impairs the power of local authorities to enforce or enact ordinances or resolutions concerning time limits on the idling of motor vehicles within one year after the effective date of subsection (3) of this section.

HISTORY: Source: L. 94: Entire title amended with relocations, p. 2372, § 1, effective January 1, 1995. L. 2016: Entire section amended, (HB 16-1122), ch. 62, p. 163, § 1, effective August 10.

♥ HAPPY ♥
VALENTINES DAY

LATE FEE & RECONNECTION FEE INCREASE AS OF JAN. 1, 2017

On December 14, 2016 the Town Board approved new reconnect and late fees for utility bills. As of January 1, 2017 the reconnect fee (after shutoff) for **residential customers will be \$40** on first occurrence. If it occurs again in a 12-month period, **the fee will be \$80** to have the water turned back on. **Commercial reconnect fees are now \$100** per occurrence. **The late fee is now \$8 a month** plus a 1% service charge of the total account balance when the utility bill is not paid on the due date by 5pm on the 24th of each month.

COMMUNITY HAPPENINGS

TOWN HALL

Town Hall will be Closed:
Monday, February 20th
Presidents Day

SMALL TOWN LIFE

If you think back to your childhood, when life was not quite as chaotic, you may be fortunate enough to remember a wide open sky with a carpet of stars. In a small town, you get to have that every single night of your life. No light pollution of the city in a small town.

When there is a crisis – like a fire on a farm or somebody loses their dog or a flood – you will be amazed at how the community rallies together to get their fellow townsfolk the help they need.

Everybody knows where you live and who you are, how many sugars you take in your morning coffee at the café, what days you walk your dog, how many kids you have, what car you drive .

You can be sure that your neighbors and friends will know immediately if you are in trouble or if you need help and will rally around you.
Hooray for small town Milliken Colorado.

PUBLIC WORKS

Save the date Arbor Day 4/17/17
Location and Time to be determined.
