What company founded in 1910 is still going strong today?

Our story begins in 1910, when 18-year-old Joyce Clyde Hall stepped off a train in Kansas City, Mo., with nothing but two shoeboxes of postcards under his arm. He had little money – not even enough to take a horse-drawn cab to his lodgings at the YMCA – but he had an entrepreneurial spirit and the determination of a pioneer. Hall quickly made a name for himself with the picture postcards he sold.

This was the beginning of "HallMark"

MILLIKEN POLICE DEPARTMENT

We have recently had some snow fall, making our sidewalks very icy and almost impassable.

Please keep in mind that several thousand people in the U.S. are injured each year from slipping on ice and snow. Therefore, we would like to remind citizens of the current Town code regarding snow removal.

- **Sec. 11-1-20. - Snow and ice removal from sidewalks.**

The owner, occupant, lessee or person in possession or control of any premises or property shall maintain the sidewalks adjoining such premises or property, and shall remove and clear away, or cause to be removed or cleared away, snow and ice from sidewalks in all business districts within the Town by four (4) business hours after the cessation of any fall of snow, sleet or freezing rain or by the beginning hours of the next business day following such fall, whichever period is shorter, and from all other sidewalks in the Town within twenty-four (24) hours of the cessation of any fall of snow, sleet or freezing rain.

Thank You for helping keep Milliken a safe place to live!
