Happy Thanksgiving

This time of year our minds and hearts turn more than ever to those in need. We live in the best country in the world and we are the most generous people in the world also.

Make sure you plan in advance when you head to the grocery store, to purchase some extra items for the Thanksgiving table of those less fortunate.

Many of us have at one time or another been blessed by the generosity of our fellow man. If you are one, you know what it meant to receive the help that was needed.

You can be that helping hand that won't be forgotten for someone else.

Happiest of Thanksgivings!
