Trustee Austin asked about the billing for Lamp Rynearson & Associates, Inc. and if it was a typographical error stating it is Legal Fees. Finance/Accounting Manager Diller said it should have read Engineering Fees. Trustee Austin also questioned the Agfinity, Inc. billing and why the Police Department uses Cenex instead of fueling at Public Works and if it is cheaper to use Cenex. Finance/Accounting Manager Diller said that the Town pays \$1.80 per gallon to Agfinity and \$2.11 to Cenex. Trustee Kidd responded that he asked the same question three years ago and was told that the Police Department does not have keys to get into the gates at Public Works. Public Works Director Landwehr said that officers now have keys to get into the pumps. Trustee Nick Ehrlich informed the Board that it would be better to ask Chief Garcia what he would prefer.

Trustee Austin was concerned about the Utility reimbursements. Finance/Accounting Manager Diller stated that generally occurs when someone is selling their home and on occasion Title Companies pay from an estimate and we refund what is owed to the seller.

Trustee LeRon Ehrlich questioned the \$28,000.00 to Lamp Rynearson & Associates, Inc. for the Milliken/Johnstown Trail. Administrator Brown responded that it was for CDOT to fulfil the rules of the project and it was also part of the Grant Fund. Trustee Nick Ehrlich asked if the project was over budget.
