**3. Consideration and Approval Authorizing the Town Administrator to Sign the Contract for Playground at Centennial Lake Park**

Parks and Outdoors Director Josh Roseberry asked the Town Board for consideration and approval to authorize the Town Administrator to sign for the purchase of playground equipment and its installation for Centennial Lake Park.

Director Roseberry said that during the 2016 budget session, two (2) parks were chosen out of the Parks Capital Improvement Plan (CIP) to be completed during the 2016 calendar year. He presented a visual presentation showing the depiction of each playground submittal by the three (3) proposals he received. A proposal was received by GoPlay, Recreation Plus and Rocky Mountain Recreation.

Director Roseberry indicated that Centennial Lake was one of the areas chosen for the installation of a new playground to be built, since it is in close proximity to the Tennis Courts and the Milliken Athletic Center (MAC). The theme for this playground was a nature/lake theme, which is appropriate for the area and will tie in well with all the improvements happening in this area. The criteria for the playground was that it had a nature theme, but also tied in the lake elements. Also, a playground that had the 5-12 year age range, since the playground at Ehrlich Lake is geared to younger children. The three (3) proposals were returned and each company had their own interpretation of a unique piece and all the companies met the Towns requested criteria.

Trustee LeRon Ehrlich asked about the longevity of the playground equipment. Director Roseberry responded that the equipment had a twenty (20) year life.

Trustee Nick Ehrlich asked Director Roseberry if he has had experience with any of the manufacturers. Director Roseberry indicated that he does, mostly with Little Tikes.

Trustee Burack asked Director Roseberry what brand of playground equipment did the local schools use. Director Roseberry was not sure of the manufacturers that were used on the school playgrounds.

Discussion from the Board indicated how easily it would be to replace a broken piece of the equipment, fall risks for children, when would the playground be installed and if graffiti could easily be cleaned off of these pieces. Director Roseberry responded that the manufacturer proposal he preferred SRPFX by

GoPlay are made in the United States, so the replacement pieces would be easy to obtain. In response to the fall risk, Director Roseberry indicated that the pieces of equipment are made at a certain height and the depth of the playground mulch has to meet certain standards. A child could always sustain an injury, but the Town, due to signage and the proper maintenance of the playground area should not be held liable for any injury. Director Roseberry indicated that certain flatwork would need to be conducted at the site, but the manufacturer could have the playground equipment installed in approximately 8 weeks from time of order. In response to the question regarding graffiti, Director Roseberry indicated that most of the playground equipment today is made with a material that cleans off easily with graffiti remover.

Trustee Austin motioned to authorize the Town Administrator to sign for the purchase and installation of the playground for Centennial Lake Park from Go Play. Trustee Nick Ehrlich seconded.

Discussion: None

Roll Call Vote: Trustee Austin – yes, Trustee L. Ehrlich – yes, Trustee Burack – yes, Trustee N. Ehrlich – yes, Mayor Pro Tem Measner – yes, Mayor Woodcock – yes, Trustee Kidd – yes. Motion carried.

To consider for approval a contract with Escape Landscapes to serve as the Contractor, to perform municipal abatements for properties in code violation with the Town of Milliken.

Mayor Woodcock recused himself from the discussion and vote. Mayor Pro Tem Measner presided over this Action Agenda item.

Trustee LeRon Ehrlich asked if there had been a problem with having the abatement services completed within a reasonable time. Town Administrator Brown indicated that he was not aware of any problem.

Trustee LeRon Ehrlich motioned to approve a contract for municipal abatement services with Escape Landscapes. Mayor Pro Tem Measner seconded.

Discussion: None.

Roll Call Vote: Trustee Austin – yes, Trustee L. Ehrlich – yes, Trustee Burack – yes, Trustee N. Ehrlich – yes, Mayor Pro Tem Measner – yes, Trustee Kidd – yes. Motion carried.

## DISCUSSION AGENDA

### 1. Consideration of use of the Grain Elevator Parking Lot for a Food Cart

Community Development Director Martha Perkins asked the Town Board to review and consider leasing the parking area associated with the Grain Elevator for food vending three to four days a week as a temporary or permanent use with site plan approval. The Town is the property owner. Staff would like direction from the Town Board.

Community Engagement Specialist Seth Hyberger handed out information on other municipalities in regard to Food Carts and what they have within their Land Use Codes.

Marti Rushton, who is a Milliken resident, spoke to the Town Board and described the type of food that they would be serving and the criteria they need to have in place from the Health Department in order to serve/sell food from a food truck.

Trustee LeRon Ehrlich spoke about creating another Code and does not want to make it difficult for this type of use to occur.

Town Administrator Brown explained that the renter of the Grain Elevator would be spoken to in seeking approval due to parking, etc. Director Perkins further explained that issues could arise due to the person renting a commercial building and that they are paying for the building rental and overhead. The Food Cart business is more of a temporary use.
