Agenda Title: Lease Agreement with Colorado Greenbelt Management for the use of Tree Limb Center located at the Public Works Facility, 2951 Ash Street			
Attachments: Lease Agreement			

PURPOSE

To approve a lease agreement for the use of and the operation of the Tree Limb/Yard Waste Center located at the Public Works Facility, 2951 Ash Street, Milliken, CO.

BACKGROUND

In order to provide Colorado Greenbelt Management an area to expand the operation of the Town's Tree Limb Center to include additional yard waste and organic materials. Colorado Greenbelt will operate the facility and will receive 100% of the fees collected from the operation of the facility. They will also be solely responsible for any and all costs and taxes associated with its operations, including, but not limited to materials, labor, sanitation, waste removal, insect control, herbicides, pesticides and weed control. Currently the Town only allows tree limbs to be disposed of at this facility and the town's staff monitors and staffs the facility. Please refer to Exhibit A regarding insurance requirements.

BUDGET IMPLICATIONS

The tenant, Colorado Greenbelt Management will pay rent of one dollar (\$1.00) per year, for the use of the property as an organic waste disposal site. Currently, the Town pays overtime to staff assigned to open, close, and monitor the facility on weekends. This agreement will have a positive effect on the budget by reducing overtime and will reduce or eliminate staff time that is spent chipping the limbs/branches or the expense of renting a tub grinder.

RECOMMENDATION

Staff recommends the Board of Trustees approve the Lease Agreement with Colorado Greenbelt Management.

SUGGESTED MOTION

Such coverage shall also include comprehensive automobile liability insurance and coverage for such other risks as shall customarily be required by private institutional mortgage lenders with regard to property similar in construction, location, and use as the Property under this Lease Agreement.

All policies of insurance carried by the Tenant shall name the Tenant as an insured and shall name the Owner as an additional insured on the policy. The policy or policies shall contain a provision that the policy or policies cannot be canceled or materially altered either by the insured or the insurance company until fifteen (15) days prior written notice thereof is given to the Owner. Upon issuance or renewal of any such insurance policy, Tenant shall furnish a certified copy or duplicate original of such policy or renewal thereof with proof of premium payment to the Owner. Any such policy shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any act or omission of any assignees or sub lessees of the Tenant.

All insurance policies carried by the Tenant may be reviewed at least annually by the Owner to ascertain that the coverage provided by such policy adequately covers those risks required by this Article VIII to be insured by the Tenant.

In case of the breach of any provision of this Article VIII, the Owner, at its option, may take out and maintain, at the expense of the Tenant, such insurance as the Owner may deem proper and may bill the costs for such insurance directly to the Tenant. When so billed, the Tenant shall reimburse the Owner for the costs of such insurance within thirty (30) days of being billed.
