

KMB Minutes
May 22, 2012
3 Coffee and Roastery, Milliken

Meeting called to order at 6:05 pm by Bob Carnahan.

Present: Lois Onorato, Janie Lichtfuss, Bob & Donna Carnahan, and two guests, Dal and Annette Hawkins (email chickenman1210@gmail.com)

The litter survey has been rescheduled for Monday June 4 at 6 pm. We will meet at the coffee shop.

Discussed plans for the plantings in front of the Police Station - when the plans have been executed they will be presented to KMB and then the Town Board for approval.

Discussed the mulch spreading.

Discussed the downtown flower pots, evidently we wait to plant until seasonal help is available to keep them watered.

It was mentioned that the Community Court often needs projects for the kids, it was suggested that we could co-ordinate with them.

We discussed the Golf Tournament, a date in September, possibly Saturday 22nd, and Bob will check with Heidi for availability.

We discussed interest in doing a float for Beef and Bean Day, August 11, 2012.

Discussed the eventuality of coordinating efforts with the Milliken Historical Society to help with the museum surroundings.

The location of trash containers outside resident's garages was discussed. Question whether there is a code that requires they be stored out of sight in the garage or backyard or with some form of cover/fence.

Discussed the need for information about the recycling contest to be publicized.

Next meeting set for Tuesday June 26 at 6:00 pm at El Mex-Cal. Some posters should be put up to encourage anyone interested to attend.

Discussed the monthly award for the Most Improved Yard with a certificate to be awarded at a Town Board meeting. Lois has the first recommendation and Bob will create the certificate. Perhaps a gift certificate from a local business could be presented; they may even want to sponsor the award.

Meeting closed at 7:00 pm
