ACTION AGENDA

1. **Public Hearing for the Review and Adoption of Ordinance 717, Official Zoning Map**

To consider for adoption, the Official Zoning Map of the Town of Milliken.

Community Development Director Perkins told the Commissioners that if they have anything that needs to be disclosed before hearing the quasit judicial case that they need to let it be known before they continue. Commissioner Bernhardt questioned if his property would create a conflict with his voting on the map. Perkins said he was already annexed with I-2 so since he disclosed it he can vote.

Public hearing opened at 7:06 p.m.

Perkins stated that staff is taking this zoning map to the Commission and to the Board because the map has not been updated since the very end of 2007. With all the recent annexations that have occurred, Perkins decided the Town needed to adopt a new and current zoning map. She said that the Town is adopting annexations and zonings that have already occurred and have been approved by the Commission and Staff. Staff researched previews and ordinances to verify the accuracy of the zoning on the official zoning map.

Chair Woodcock asked if this would be updated to the comprehensive plan. Community Development Director Perkins said this would help the current comprehensive plan update and the future general land map which will be included in the comprehensive plan. Commissioner Portella and Perkins said this will help define the town boundaries. The map will provide certainly for new builders and developers interested in the land within Milliken.

Chair Woodcock asked if this is the right time change the downtown area to coincide with the mixed use. Perkins said the changes couldn't happen tonight. She wants to take what zone as defined in the code the Town has approved previously with zoning by adopting the zoning map and record it with Weld County so if someone wants to come in and change the use of a parcel they have something to work off of.

Chair Woodcock said after this goes to the Board, staff needs to point out the issues with the defined area of downtown and bring it back to Planning Commission so they can revisit it.

Public hearing closed at 7:20 p.m.

Commissioner Bernhardt moved that after hearing testimony, examination of the documents presented and the findings of fact finds the application MEETS the provisions of Sections et. seq. of the Town of Milliken's Land Use Development Code (LUDC) and APPROVES Ordinance 717 "An Ordinance of the Town of Milliken adopting the Town of Milliken Official Zoning Map" in Weld County Colorado. Commissioner Watson seconded.

Discussion: None.

Roll call vote: Commissioners: Bernhardt, Watson, Blackmer, Portella, Satterfield and Woodcock in favor, none opposed. Motion passed.
