

**RE: Project Notification Memorandum**

**To whom it may concern:**

Work has begun on the Town's East Side Water Loop and Sanitary Sewer Project. Over the next five months this project shall impact residents traveling along CR 46 from Alice Avenue till CR 25 and along CR 25 from CR 46 till HWY 60. During project construction, the Town shall coordinate with its project contractor to maintain an open lane of traffic along CR 25 and CR 46. So, over the next five months please keep an eye out for flaggers and possible detour signs. This project is being undertaken to address existing water pressure, fire flows, and current sanitary sewer needs for the Town. Should you have any additional questions regarding this project please feel free to contact Town Hall at 970-587-4331 or the Town's Public Works Department at 970-587-2195.
