WORD FROM THE MAYOR

All of the Lola Park improvements are completed. What has been added this year is completely new irrigation system to make everything greener. There is new decorative fencing at the corner of Irene and Forest. We expanded the concrete pads by the shelters and got a new porta let structure. There are new sidewalks, bike racks and more!

The Beef 'N Bean Day festivities will be held Saturday, August 13th. It still retains the small town flavor of a community gathering with local folks volunteering, organizing, donating and enjoying themselves. I invite each and every one of you to attend at least one of the events from the early morning pancake breakfast by the Front Range Fire Rescue Authority to the evening fireworks.

COME 'ROUND TO BEEF 'N BEAN DAY!
