Flood Recovery

If you are interested in shaping the future of Milliken, this is your chance.

A BOOST MILLIKEN Task Force was established by the Town Board of Trustees in March to oversee the long-term recovery efforts for the flooding that occurred in September 2013. At the same time Citizen Advisory Committees (CAC) were established. In the near future those committee members will be appointed. There have been five CACs identified:

- *Economic Development
- *Emergency Preparedness
- *Housing
- *Infrastructure
- *Parks, Education, Recreation and Culture

We would like your participation in these committees. To register interest please go to millikenco.gov for an application or come in to Town Hall. These committees will require about two hours per month commitment.
